

CARING FOR OUR

Watersheds®

Chesapeake Bay

HOW IT WORKS

Answer the question:

What can you do to improve your watershed?

Identify the Problem

- **Research** your watershed and identify a local environmental concern
- Work as a classroom or club of at least 10 students
- Work with community partners and various stakeholders

What's your Solution?

- Come up with **one realistic solution** using democratic decision making
- Pitch your innovative idea to community leaders to gather feedback and ask for change
- **Finalists are judged** on innovation, impact potential, comprehensive scope, communication, budget, realistic solution, visuals, and connection to the United Nation's Sustainable Development Goals (SDGs)
